Frequently Asked Questions

Who files an Annual Registration?

Each business entity registered or filed with the Office of Secretary of State is required to file an annual registration. O.C.G.A. §§ 14-2-1622(a), 14-3-1622(a), 14-8-56(a), 14-9-206.5, and 14-11-1103.

When must an Annual Registration be filed?

January 1, 2016 to April 1, 2016. Before proceeding, please confirm whether your entity's registration is due for the current year. ***Fees paid for filing an annual registration are non-refundable.*** Entity annual registrations are due by April 1st of each year, but may be filed as early as January 1st.

What is the purpose of an annual registration?

The purpose is to comply with the law. The filing also confirms that the entity still exists. Filing the annual registration provides a current record of an entity's management structure, correct mailing address, and registered agent's name and address.

What happens if I do not file the Annual Registration?

Entities that do not timely file annual registrations, together with all required fees, may be subject to administrative dissolution or revocation of their authorization to transact business in this State. O.C.G.A. §§ 14-2-1420, 14-3-1420, 14-2-1530, 14-3-1530, 14-8-51, 14-11-603 and 14-11-708.

I think I updated my entity last June, do I need to do it again?

Yes. The annual registration process is also the primary vehicle used to update entity accounts; therefore, multiple annual registrations may be filed during the year. In fact, an entity may update its information as many times as it wishes throughout the year simply by filing another annual registration and paying the applicable filing fee. However, it is important to note that multiple annual registrations filed and fees paid in any one year do not "rollover" to the next year. An entity must file at least one annual registration each year between January 1st and April 1st.

Do I need to verify my information?

It is extremely important that each entity verify its information prior to filing. Corrections can only be made by filing another annual registration. The Secretary of State does not have the statutory authority to rescind annual registration filings or refund fees once they have been submitted. Additionally, a person who signs a document he or she knows is false in any material respect with the intent that the document be delivered to the Secretary of State for filing shall be guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine not to exceed \$500.00. O.C.G.A. § 14-2-129.

How do I change an entity's address?

The address is changed by filing an annual registration. The registration may be filed, and changes made, online or with a paper form.

How do I obtain a paper annual registration form?

A paper form may be downloaded from the website by clicking on "Print Annual Registration Form" button.

Frequently Asked Questions

What types of entities are on file with the Corporations Division?

Business corporations, nonprofit corporations, professional corporations, limited partnerships, and limited liability companies are formed in Georgia by filing with the Corporations Division of the Office of Secretary of State. In some instances, the above entities that form in other states choose to file with the Georgia Secretary of State as “foreign” entities.

How do I change an officer(s) of a corporation?

Officer changes are made by filing an annual registration. The registration may be filed, and changes made, online or with a paper form. Georgia law regarding limited liability companies (“LLCs”) requires only the listing of the registered agent; thus, officers for LLCs are not listed and there is no procedure to “change” them by filing with the Secretary of State.

What does “O.C.G.A.” mean?

It stands for “Official Code of Georgia Annotated” and is often referred to as “the Code.” In short, it is the law. Laws regarding corporations, LLCs and partnerships are found in Title 14 of the Code. Free public access to the Code is available at LexisNexis.

Are a corporation’s bylaws filed with the Secretary of State?

No. Bylaws are maintained by the corporation.

Are the shareholders or owners of a corporation listed with the Secretary of State?

No. That information is maintained by the corporation.

Is there a minimum age for officers of a corporation?

No, the Georgia Business Corporation Code does not impose an age requirement for officers. However, members of the board of directors must be at least 18 years old.

Does the Corporations Division have phone numbers for entities or for their officers or registered agent?

No.
